Sam Porter

lots of luck  
to a very cute  
girl. I hope you  
have many, many  
boys; and much  
much fun

Love you  
L. G. Kaye

Best wishes  
to a very cute  
girl.  
Love,  
Mama

Dear Pam,

I know I don't have  
to tell you that I have  
enjoyed attending school  
with you this year. I hope  
you are in one of my classes  
next year. I don't know  
what I will do if you  
don't then to ask  
me what to do  
is. I did hope that  
your personality will  
grow as much next  
year as it has this year.  
You are the most  
fun in school and  
hope you will have  
many more laughs.

Love, Linda

P.S. Don't forget

to get your report card

Dear Pam,

Man, we've really  
had a lot of fun  
this year. Remember  
all those summer  
parties and those  
notes during French  
class, ain't it fun?

I'm looking forward  
to next year. I hope  
it's with you. I know  
you are a good  
"cane"!

May the best of  
everything a night,  
give you a  
great day. Love,  
Linda

Dear Linda,  
I'm so happy  
to hear from you.  
You're right, it  
was a great year.  
I hope you have  
a great summer.  
Love, Linda

Dear Pamie,

You're another darling little ole junior that I'll especially miss. I'll have a hard time forgetting you & your crazy ways (even the not-so-crazy ones) that all yankers seem to possess.

Pam, I hope your remaining years will be wonderful and as much fun for you as mine have been for me. Knowing you this short time has been some experience and I hope the "things" you're looking for will soon come true. Take care of State for me while I'm gone & May you have the best of the lot.

Love always,  
Betsey G.

P.S. Helen mentioned something about you the other day in a letter.

## PRINCIPAL'S MESSAGE

As you leave your Alma Mater, there are a few suggestions I would like to give to each of you. No one is equally good in all things, but each has special strong qualities which he can develop. Set your goals according to your individual talents and make the best of them. Try to improve your weaker qualities, but don't let them become excuses for things that you do not want to do.

Remember that in almost every job and in every way of life, the ability to make friends and work well with people makes for success in life. Best of luck in all your undertakings.

# FOREWORD

Editor-in-Chief

Advertising Manager

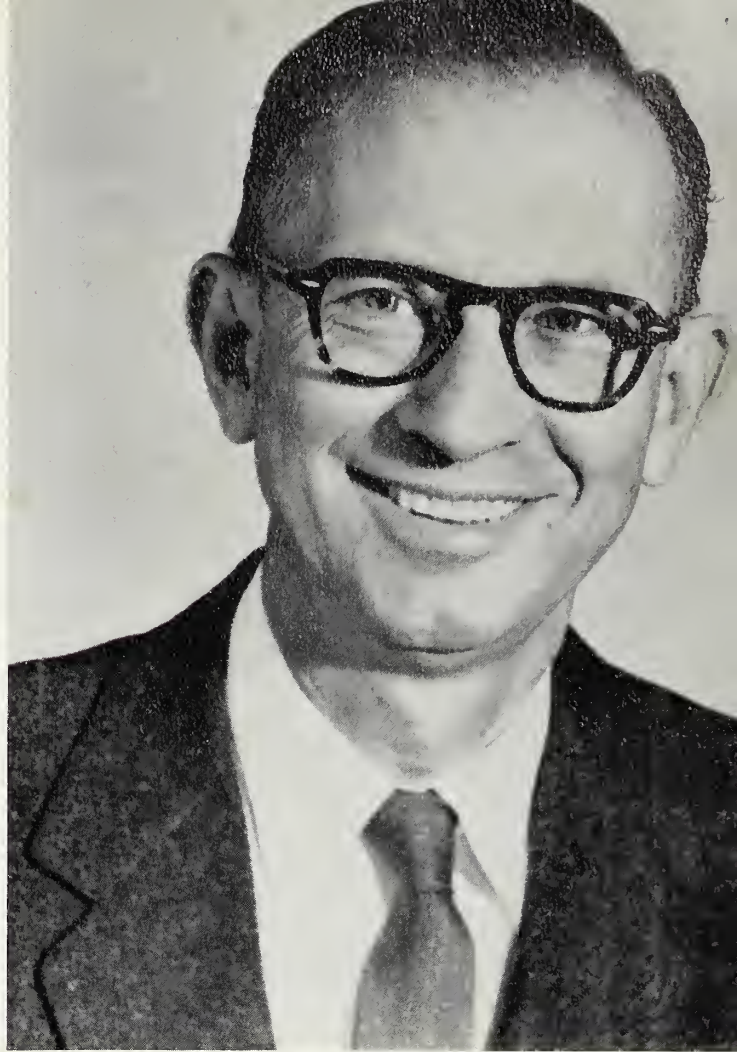

Like trees that have sprouted and grown in the same plot of earth, we Seniors have developed a sense of warm companionship that can come only from living and working as one. Now we are about to be transplanted, our roots torn up from the plot that has nurtured us through twelve wonderful years. It is little wonder that we are reluctant to be withdrawn from the nourishing richness of our mother earth, the school. In it we were carefully placed as tender young shoots twelve years ago. Fed by the soil of the school and tended by the loving hands of the gardeners, our parents, we have thrived. Year after year our limbs of knowledge have grown larger and more numerous branching out into new and challenging fields. Proud in what we have accomplished, grateful for what we have received, we now shed our last leaf---The '59 Laurel.

# DEDICATION

Because we Seniors wish to show the deep respect and admiration we all feel towards him, we have set aside this page in our yearbook as a testimonial of our esteem for this man of many facets- humor, strictness, efficiency, and, most, important, understanding. The friendly smile that accompanies his firmness always assures us of sympathy and consideration.

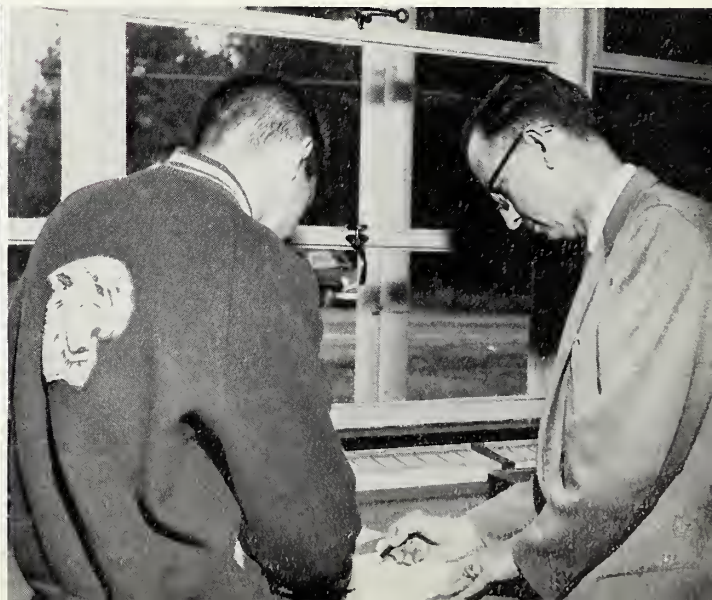

In acknowledgement of his many virtues and our affection for him, we dedicate this volume of the Laurel to our principal, Mr. F. B. Williams.

Keeping a wary eye on locker regulations.

A helping hand for those who need it.

# IN MEMORIAM

**MR. C. M. BILLINGS**

To preserve the memory of one who showed patience and understanding in his teaching and in his everyday relationships, we set aside this page in our yearbook. We miss him.
